

VUTEK® D3r and D5r

Superwide Roll-to-roll Inkjet Printers

Free your Design

Better by **design**. Better for **design**.

Everything about the EFI™ VUTEk® D series roll-to-roll printers is designed to support the designs of your customers' jobs. In fact, the 3.5-metre VUTEk D3r and 5.2-metre D5r printers are the most advanced mid-range roll-to-roll printers on the market—created especially for the industrial printing demands of high-quality, volume producers like you.

Get your design on with these capabilities

Imaging technology for exceptional quality

- Native 7 pL UltraDrop™ Technology
- True 1200 dpi resolution
- Ultra-high-definition print mode

White and clear ink—together—for premium applications

- No need to choose between white or clear
- Use white and multi-layer printing for day/night backlights
- Advanced white printing modes
- Use clear ink for decoration or protection

UltraClear Coat for beautiful creative possibilities or outdoor protection

- Printed inline, simultaneously with the image
- Glossy or matte finish
- Add clear to select elements in the image to enhance designs with an extra pop of colour or special effect
- Use full flood for outdoor protection against:
 - Abrasion and scratching
 - Chemicals such as detergents, gasoline, and IPA
 - Weather damage
 - Air pollution
 - UV fading/yellowing

Brilliantly designed LED technology for lower costs and sustainable print

- Lower power consumption
- Less waste and consumables
- Low VOCs
- GREENGUARD and GREENGUARD Gold certified inks

Value-added Power Tool options to boost your capabilities

- Inline cutting and slitting
- Automatic double-sided printing
- Media handling accessories
- And much more

Design features for production environments

PRINTER

- Piezo drop-on-demand inkjet
- Printheads with inherent 7 pL drop size technology
- Up to 1200 dpi true resolution
- CMYK, CMYK+W, CMYK+CL, CMYK+W+CL

BUILT-IN FIERY® DIGITAL FRONT END

- Ships with Fiery XF server software for Windows® including:
 - Spot Color support
 - FAST RIP
 - Cut Marks
 - Color Profiler
 - Color Verifier
- Unlimited macOS® or Windows installations of Fiery Command WorkStation® with up to 10 concurrent connections
- One-year Software Maintenance and Support Agreement

MEDIA HANDLING

- Quick and easy media loading
- 300% better media utilisation—only 40 cm is wasted on each roll loading
- Optional motorised winder for precise and excellent media collection
- Optional 3.2 m super duty winder enables working with large media rolls up to 793 kg

Genuine EFI inks keep your shop printing with **flying colours**

Our Genuine EFI inks are custom formulated, tested and optimised for EFI inkjet printers. Both the printing system and inks are developed in unison to assure you get great extended colour gamut, durability, reliability, consistency, and predictable running costs. Add our extensive colour range and best-in-class Fiery colour management suite, and you get all the quality and performance you'd expect from Genuine EFI Inks – so you always print with flying colours.

- EFI - 3M™ SuperRange XF Inks for a wide range of applications:
 - Environmentally friendly, LED-curable UV inks
 - Small dot gain and wide colour gamut
 - Superb durability
 - 3M™ MCS™ Warranty¹
 - EFI - 3M™ SuperFlex XF Inks for fleet and vehicle graphics qualify for the 3M™ MCS™ Warranty¹

3M™ MCS™ Warranty

- EFI UltraClear Coat for decorative applications or as a final protective coating with a gloss or matte finish prints inline, simultaneously with the image
- Environmentally friendly, GREENGUARD and GREENGUARD Gold certified:
 - The world's most rigorous and comprehensive standard for low emissions of volatile organic compounds (VOCs) into indoor air
 - Includes health-based criteria requiring lowest total VOC emissions levels to ensure inks are acceptable for use in school and healthcare facility environments

¹ The 3M™ MCS™ Warranty backs graphics printed with 3M™ co-branded ink and select 3M™ flexible media, printed and applied according to 3M™ product and instruction bulletins. See www.3Mgraphics.com/warranties to register and for more details.

A perfect match

Produce your customers' designs perfectly on a wide range of applications— from indoor, closely viewed graphics to outdoor banners and signs and fleet and vehicle graphics.

Key applications

- Backlit signs
- Car wraps
- Fleet graphics
- Indoor hanging banners
- Point of sale and point of purchase graphics/displays
- Tradeshow graphics
- Truck side curtains
- Wall coverings, murals, and indoor décor
- Window graphics/displays
